

Volunteer Registration Instructions (first time registering with new system)

Habitat Omaha has a new online volunteer signup system which we hope will be easier to use and will provide you with more information about your individual builds.

You do not need a personalized link, only a reservation code that is unique to your coalition.

To volunteer:

1. Go to the Habitat Omaha website at www.habitatomaha.org and click on the “Volunteer” tab.
2. Click on the “Sign Up to Volunteer Now” button
3. On this screen you will see builds listed. At the top of the build list, in blue is “Use Reservation Code”
