Special instructions are required for any Catholic party under 19 years of age. No date can be set for this marriage. A Civil Marriage License should be obtained two weeks in advance of marriage. To set a wedding date here at St. Gerald Catholic Church, you must be a registered parishioner.  

Religious Formation: K-8  
Children of the parish are supplied with Religious Formation either in our 5-day school or in our Religious Formation Program. Regular and sustained Religious Formation is a life-long process. Parental support at home for their children’s religious formation includes attendance at the Sunday Eucharist, prayer at home, and support of the catechetical program of their choice. Parishioners who homeschool are encouraged to visit with the Religious Formation Director about their children’s preparations for the sacraments.  

From the Pastor’s Desk  

**Holy Week Begins:** We come to the end of our preparations for the great festivities of the Church Year. Holy Week is by far more important than Christmas. Christmas is seemingly bigger because it is couched in a secular almost pagan environment that builds to Christmas. People come in droves to church. But Holy Week contains everything you need to know about our Christian and Catholic Faith. With Holy Thursday we remember the Last Supper, the Institution of the Holy Eucharist, Jesus betrayal, arrest and trial. On Good Friday we remember his Passion, Death and Burial. During the night of the Easter Vigil we remember and experience his Resurrection…the Light of the World conquering the Darkness of Sin. I can’t express more strongly the importance of these great celebrations and the need for Catholics to be present to have their faith renewed and solidified. We prepare for these great festive liturgies by purifying our hearts through 40 days of penance and the Sacrament of Reconciliation.  

**Good Friday Outdoor Stations:** We will commemorate the Way of the Cross with an outdoor procession. We will begin at noon right outside Lakeview Chapel. We will walk a route up Lakeview Street to 80th then south ending at Trinity Methodist. Bring the kids in strollers, take time off of work, make the Death of Jesus for your Salvation a significant thing in your life by making it so in a visible way. In cooperation with the neighboring Ralston Churches this is for the whole community so invite your neighbors.  

**End of Life Decisions:** Sometimes people ask me for counsel on end of life decisions, so-called living wills, or medical power of attorney. I found a great Catholic Resource. [www.ncbcenter.org](http://www.ncbcenter.org) The National Catholic Bioethics Center is a great resource for these questions.  

**First Communion:** Just around the corner. We celebrate the First Communions for our Grade school at the 9:00 and Noon masses on the Sunday after Easter. The Sunday after that we celebrate similarly with our Family Formation kids. The masses are no longer than a regular Sunday mass so don’t avoid it. And there is room, in the two years we have been doing this, we have not had to seat anyone in the hall.  

**Parish Penance Service:** Come and be reconciled…..Monday evening at 7:00 pm at 96th and Q. Other confession times are published in the bulletin.  

**Doing things Differently – Doing things more Effectively.** A priority of mine for this parish as I expend my energy is the formation of families. This formation is something that is core to our Catholic Self-Definition in this age that seeks to redefine even marriage and disparage our core faith values. Family Formation is not as much a program as it is a way of doing things. Like families with various ages represented in a household—things are not always neat and organized. But there is a golden thread running through it all…teaching the children…becoming disciples in every sized body. I see this happening in three stages in our parish. The first stage has been underway for almost two years. Our CCD program has been changed to a Family Formation model. Parents who have engaged have experienced a personal conversion and catechetical rebound in their own lives. Catechesis has been de-centralized and put back into the hands of parents. But not without help from the Church. The second stage involves our Grade School Families. I wish I could ask my Grade School Parents to engage in this formation process but we just don’t have the room. Right now I  

(Continued on page 3)
am filling up the gym once a month with my Public School Parents. But this program is not about another way to do CCD. It is about Forming Families. My goal is not worked out in detail but I hope to add this “Doing Things Differently” to energy our School Families’ Faith Life as well. The third stage of FF in our parish will involve the Youth: both Middle School and High School. The Family Formation Model encourages faith sharing, shared prayer, everyday discussion of our faith, and the witness of the older to the younger and vice versa. Apply this to the Youth means going small but intensified. I hope to work towards implementing both of the later two stages this summer and next school year. Where do I begin: with prayer. I have prayed about this and will continue to do so. I am asking you pray for this as well. More later…

Prayer of Refocus:

Dear Lord, you have always been faithful to us and you have led us through various paths so that we can come to know you more clearly and follow you more nearly. Send your Holy Spirit down on our parish as we seek to strengthen our families in living a dynamic faith life. Let this same Holy Spirit work to renew all our families: those with children in our Grade School and those with children in our Family Formation program, those with children just born and those with children in High School and College. Convince us that the faith will be spread most fruitfully when we involve all age groups. We ask this through Christ our Lord. Amen.

Good Friday Collection: Christians around the world are united in a special way during Lent, Holy Week and Easter. Our hearts, minds and prayers are also especially aware of the Holy Land.

Our parish, once a year on Good Friday, is called on to support Christians in the Holy Land. Many Christians in the Holy Land depend on the collection for their lives. As a pontifical collection requested by Pope Francis, the annual Good Friday Collection offers a direct link for parishioners to be witnesses of peace and to help protect the Holy Places. When you donate on Good Friday, you are supporting Christians in the Holy Land. Franciscans and others in the Holy Land are housing and feeding the poor, providing religious formation and education, maintaining shrines and parishes, and conducting pastoral ministry. For more information, visit MyFranciscan.org/good-Friday.

The Good Friday Collection is requested by the Holy Father. Please be as generous as your abundance allows.

The lecture series is free and open to the public. The event begins at 7 p.m., with doors opening at 6:30 p.m. Fr. Cook’s lecture is titled “Why Sing? Church Teaching on Music in Worship.” Today, there is perhaps no more controversial element of the liturgy than choices of music. Discover what the Church actually teaches about our sacred music tradition, which she calls a “treasure of inestimable value” and a treasure that must be “preserved and cultivated with great care” (Constitution on the Sacred Liturgy, Vatican Council II).
