Total school families - 251
- We have hired a computer teacher through December, Mark Daeges
The search continues for a hiree to fill for second semester
- Veterans Day Mass and Program - Friday, November 10 at 9:00 in the gym
The eighth grade put the program together this year
- Monday, November 13 - is staff development for school of faith in the morning and CPR training in the afternoon for 5 staff members including Christy. These staff members have been picked so they are located throughout the building.
- Friday, November 17 is a \$1 casual day. The money will be donated to Mary Jo's Closet, a place where New Cassel residents can go to get daily supplies
- Tuesday, November 21 is the Thanksgiving mass and the students will be bringing food for canned food drive collection
- Parking lot safety
 - There have been a number of students being picked up in the circle (Dodson Circle) after school. This has been a huge safety concern due to students playing around, unsupervised in this area waiting for pick up.
 - There will be another note in the Pride Report and a teacher may be posted there to remind parents that this is not an appropriate pick up area.
 - Also, a reminder for parents to not back up in the parking lot.
 - Kids should only be in the parking lot if they see their parents, otherwise they should wait in the appropriate area.
- Next meeting, will be a social at Allison Balus' house on December 12 at 6:30
 - Spouses are welcome
 - We will vote on as a group if we want to contribute a "Mother's Day Weekend brunch" for the auction
